

# PRISM Field Validation in Monterey Bay

K. Bostrom, E. Heupel, Z Mouroulis, R. Green, B. Van Thorp, B. Gao, H. M. Dierssen

## Preliminary spectral data

- First science flight of PRISM in Monterey Bay and Elkhorn Slough, July 2012
- Successful collection, orthorectification, and preliminary atmospheric correction of image data
- Reflectance spectra from over 100 targets marked *in situ* for further validation
